Summer Camp Policy and Procedure Information

Welcome

The Goldsboro Family YMCA staff welcomes you to our Summer Day Camp Program. We have dedicated ourselves to ensuring the safety of your child while the campers have the time of their lives! Summer Camp not only needs to be enjoyable for the children, but for parents as well. We will strive to keep you well-informed. If you have any questions or concerns, please call us at 919-947-0124.

Mission Statement

Here at the Goldsboro Family YMCA, our mission is to put Christian principles into practice through programs that build healthy spirit, mind, and body for all. With a commitment to nurturing youth development, promoting healthy living, and fostering a sense of social responsibility, the Y ensures that every individual has access to the essentials needed to learn, grow, and thrive.

Our Purpose

Our purpose is to provide a quality, Christian-oriented Summer Camp experience that is safe, convenient, and creative. This program presents age appropriate opportunities and activities, which will enhance your child's spiritual, physical, social, intellectual and emotional growth. Our activities do not simply keep campers occupied—every experience is used to nurture the potential of every child and teen.

Objectives

The YMCA Summer Camp Program seeks to nurture the potential of every child and teen. To deliver that commitment, we intentionally focus on three essential dimensions of well-being:

1. **Achievement**—Campers experience achievement when they try different activities, learn what they like, and discover what they are good at.
2. **Relationships**—Campers have the opportunity to form healthy relationships with other children, caring adults, and role models, which helps them feel good about themselves and learn to get along with others.
3. **Belonging**—Campers connect through significant camp traditions and rituals that create a sense of belonging, so they feel included, accepted, and part of a community

YMCA Youth Development Philosophy

Youth Development is the social-emotional, cognitive, and physical processes that all youth uniquely experience from birth to career. At the Y, we know that a successful development process fulfills children and teens' innate need to be loved, spiritually grounded, educated, competent, and healthy.

Staffing

Under the direction of the Youth and Family Service Director and the Youth Coordinator, the Goldsboro Family YMCA summer camp staff are carefully selected from leadership clubs, church groups, high school and college organizations where they have already proven themselves as leaders. They are selected for their experience with children, their character, work ethic, and enthusiasm. Ensuring staff quality begins with a careful screening procedure which includes a background check and a lengthy interview process. Employees then enter a training program which includes 20 hours of YMCA child care training. All staff are CPR certified and trained in First Aid. We take pride in the high expectations we set for our summer program staff each year and we evaluate them on a regular basis. To reach the Youth Coordinator, feel free to call the Goldsboro Family YMCA Child care Center during the times of facility operation.

Parent Understandings

1. I understand that the YMCA staff and volunteers are not allowed to transport or provide babysitting services to children at any time outside of the YMCA program.
2. I understand that I am not to leave my child at the YMCA or program site unless a YMCA staff or volunteer is there to receive and supervise my child.
3. I understand that state law mandates the YMCA to report any suspected cases of child abuse or neglect to authorities.

Custody Issues

In cases of separated or divorced parents where visitation rights are denied to one parent, we cannot deny releasing the child to such parent unless a court decree or separation document is in our file, expressly forbidding such parent from picking up the child from our program, or from picking up at times not allowed by the court decree.

Parent Responsibilities

1. **Updating Information:** Keep proper registration, current phone numbers and a valid email in the child's permanent records. Services may be withheld if this information is not provided.
2. **Medication:** An Authorization to Dispense Medication form must be completed by the parent if a child requires medication while at camp. Medicines must be in the original containers. Please give specific instructions. Medication is stored in Youth Directors office, locked away from campers.
3. **Health:** If your child has the following, you should keep him/her at home or you will be required to pick-up him/her: temperature of 100 or more. contagious illness, vomiting, or diarrhea.
4. **Evaluations:** Most importantly, we need your comments and ideas for this program. Periodically, we will hand out evaluation cards. Please fill them out and return them. Evaluations are used to inform staff of strengths and weaknesses.
5. **Open Door Policy:** You are always welcome to visit the Summer Camp Program. We also encourage you to talk with our counselors, the Coordinator, or the Director about the program and any needs or special successes your child is experiencing.
6. **Parent Assembly:** One of our goals is the strengthening of families. Periodically, we will hold special events for families after our normal Summer Camp hours. We encourage you to participate.
7. **Traumas:** Children's actions in Camp often reflect problems they are experiencing at home (i.e. pet's death, parents' divorce, sibling disagreements, etc.). If any such disruptive or traumatic experience should occur, please inform the Coordinator or Counselor. This will enable us to better meet the needs of your child.

Early Arrival

All programs begin with supervision at 7:00am. Campers may not be dropped off or signed in before 7:00am. This allows program staff to properly prepare for the day without interruption. Program staff will be ready to greet your child promptly at 7:00am.

Late Pick-Up

In fairness to our staff and because of subsequent program demands, it is very important that your child is picked up on time (6:00pm). A late fee of \$5.00 will be charged for each child for the first 5 minutes and \$1.00 per minute per child after that. The late fee is payable when you enroll your child for the next session. Summer camp counselors are not permitted to sign any child out for any reason or drive them to and from camp. If your child is not picked up by 7:00pm and we cannot contact a parent or relative listed, Social Services will be contacted.

Emergencies

Our camp staff will treat routine cuts, scrapes and bumps. In case of emergency, every effort will be made to contact you or the contacts listed on your information sheet. If none can be reached, we will take the necessary actions for the health of your child. In the event you cannot be reached, your signed authorization on your child's health form allows us to secure prompt treatment. Should there be any changes in the emergency contact phone numbers, please notify us immediately.

Illness

The YMCA cannot provide care for sick children. A child who is sick before the program begins should be kept home for his/her sake and that of others. If a participant has any sign of illness or fever, the parent will be called to pick up the child. If a camper has no overt symptoms of illness, but displays significant behavior changes and is clearly uncomfortable and unable to participate, the parent will be called. If a parent cannot be reached, the staff will call the emergency number listed on the participant's health form. NO REFUNDS will be given for days missed.

Inclement Weather

In the event that light rain is falling, we will still participate in outdoor activities. If thunderstorms do exist, we will move the program indoors until it is safe to return outdoors. If rain or thunderstorms occur during sign in or pick-up, everything will be indoors and signs will be posted. If the weather is severe (i.e. hurricanes), the YMCA will close programs with proper notification going home using the Remind app and text messaging.

Lost Articles

The lost and found for each session will be stored separately. Labeled items will be returned. Unlabeled items will be held for two-weeks after which they will be donated to Goodwill. Unlabeled socks and underwear will be thrown away at the close of each day. We are not financially responsible for children's losses, but will make every effort to locate the lost items. Please clearly label all items with your child's first and last name.

What To Wear

- Comfortable play clothes
- Tennis shoes
- Sunscreen (staff will not apply sunscreen unless you send your child with spray-on sunscreen)

What NOT To Wear

- Jeans
- Short shorts that come above mid-thigh
- Black colored clothing (it gets hot)
- Expensive clothing
- Flip flops

What To Bring

- Swimsuit & small towel in bag
- Refillable water bottle
- Spray Sunscreen

What NOT To Bring

- Money
- Alcohol
- Drugs/cigarettes
- Weapons
- Electronics (games, i-pods, cell phones)
- Toys (including trading cards, water guns, etc)
- Flotation devices

If these items are brought to camp they will be taken by the director and will be returned at the end of the day. The YMCA is not responsible for any items that are misplaced, damaged, and/or stolen.

Disciplinary & Behavior Management Policy

A child's participation in the Summer Camp Program depends upon his/her behavior. We certainly want each child to enjoy the activities planned and benefit from his/her experience with the Goldsboro Family YMCA.

Basic Rules of Safety and Conduct are reviewed below. Please make certain that your child is aware of these rules. Parents will be informed by phone, in writing and through parent conferences if their child continues to display poor behavior. General discipline techniques involve positive reinforcement for good behavior and careful explanation of behavior that is unacceptable. An activity will be denied for repeated poor behavior and the child will be directed to an alternative activity. Physical discipline will not be used nor will food or restroom privileges be denied as punishment. **Failure to comply with the following rules may lead to disciplinary action, possible suspension and/or termination from the program.**

1. Engaging in fighting as a way to solve an issue.
2. Stealing or defacing the facility or other children's property.
3. Refusing to follow basic safety rules.
4. Repeated disrespect or rude and discourteous behavior toward counselors or other children.
5. Displaying an inability to follow established guidelines.

The parents will be given written notification of termination. Immediate termination could occur if the YMCA staff feels they cannot maintain the safety and welfare of the child and/or other children.

Medication Policy

If medication must be administered you will need to:

- Fill out an Authorization to Dispense Medication Form.
- Bring medication directly to Youth Coordinator or Youth & Family Services Director for approval.
- Bring medication in original container.
- Campers may not keep their medications on them for any reason, unless granted permission through Youth Coordinator.
- INHALERS: If your child has an inhaler and needs to have the inhaler with them due to medical reasons, you must notify Youth Coordinator and fill out all proper paper work.
- Medications are locked up in Youth Director's office.

These guidelines are for the camper's safety. Should you have any questions, please call the Youth & Family Services Director.

Field Trips

On field trip days please drop your child off at camp no later than 8:00am and expect to pick them up after 5:00pm. If there are any days when a field trip will require special circumstances (ie. extended hours, extra spending money, bathing suit, extra clothing, etc.) you will be notified.

Family Nights

One of our goals is to strengthen families. During the summer we will have Family Night. If your child is/was enrolled in camp you are invited to join us for Family Night. Please take this opportunity to join your YMCA family in sharing good conversation and fellowship with all the families and staff of Summer Camp.

Swimming

All children will be assessed before getting in the pool. Your child's swimming skills will be evaluated by YMCA lifeguards. To keep campers safe, the YMCA will incorporate Water Safety Training as part of our summer camp. Campers will be assigned their swim level accordingly and by the discretion of the YMCA Aquatics staff.

2018 Summer Camp Descriptions

Kinder Camp

This camp is perfect for children who are at least 5 years old and are entering Kindergarten, but packed with enough excitement for those who have completed Kindergarten. Kinder Camp offers age-appropriate field trips, games, crafts, and lots more. This camp has a little more quiet time yet all the fun and activities of Traditional Camp.

Traditional Camp– Ages *5-11

***This camp is for rising 1st through 6th graders**

Our Traditional Summer Day Camp Program provides a well-rounded experience for elementary students. We place campers in age groups with their peers so that activities and skills can be taught most efficiently in an age-appropriate manner. Campers will enjoy games, crafts, field trips, and more all based on the YMCA's mission to build a healthy spirit, mind and body.

Teen Camp - Ages *12-16

***This camp is for middle and high school students**

This camp is designed for teens to learn leadership skills, outdoor adventure skills, and sports skills. Campers will still have weekly field trips, enjoy games, crafts, and lots more. This camp will enrich your teen with specific skills and give them all the great experiences that Traditional Camp has to offer. Teen Camp will also give teens the opportunity to see what it is like to be a Summer Camp Counselor through our Counselor In Training Program. Teens will be given the opportunity to mentor, under close supervision, younger campers in our camps.

Each age group will have well-trained and excited counselors that will guide them through their summer adventures.

Discipline and Behavior Management Policy

Praise and positive reinforcement are effective methods of the behavior management of children. When children receive positive, non-violent, and understanding interactions from adults and others, they develop good self-concepts, problem solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this center will practice the following discipline and behavior management policy:

WE

- DO praise, reward and encourage the children.
- DO reason with and set limits for the children.
- DO model appropriate behavior for the children.
- DO modify the classroom environment to attempt to prevent problems before they occur.
- DO listen to the children.
- DO use short supervised periods of "time out".
- DO explain things to the children on their level.
- DO treat the children as people and respect their needs, desires, and feelings.

WE

- DO NOT spank, shake, bite, pinch, push, pull, slap, or otherwise physically punish.
- DO NOT make fun of, yell at, threaten, make sarcastic remarks about, use profanity, or otherwise verbally abuse the children.
- DO NOT shame or punish the children when bathroom accidents occur.
- DO NOT deny food or rest as punishment.
- DO NOT relate discipline to eating, resting, or sleeping.
- DO NOT leave children alone, unattended, or without supervision.
- DO NOT allow discipline of children by other children.
- DO NOT criticize, make fun of, or belittle

I, the undersigned parent or guardian of _____, do hereby state that I have read and received a copy of the center's Discipline and Behavior Management Policy.
