Camp Sunshine — Summer Day Camp Descriptions

KinderCamp

This camp is perfect for children who are at least 5 years old and are entering Kindergarten but packed with enough excitement for those who have completed Kindergarten. Kinder Camp offers age-appropriate field trips, STEM activities, games, arts & crafts, and so much more. This camp has a little more quiet time yet all the fun and activities of Traditional Camp. It should be noted that KinderCamp does have a nap time and mats are provided.

Traditional Camp– Rising 1st-5th Grade

Our Traditional Summer Day Camp Program provides a well-rounded experience for elementary students. We place campers in age groups with their peers so that activities and skills can be taught most efficiently in an age-appropriate manner. Campers will enjoy games, arts & crafts, field trips, STEM activities, Clinics and more! All of which are based on the YMCA's mission to build a healthy spirit, mind and body.

Teen Camp – Middle School / Rising 6th-8th Grade

This camp is designed for teens to learn leadership skills, enjoy outdoor activities, STEM activities, field trips, service projects, games, arts & crafts, and more. This camp will enrich your teen with specific skills and give them all the great experiences that Traditional Camp has to offer.

CILTS Camp—Campers In Leadership Training—Rising 9th- 10th Grade

Our CILTS (Campers in Leadership Training) Program is designed specifically for rising and current high school students to learn leadership skills. It also provides opportunities to enhance their teambuilding knowledge, as well as has extensive trainings on the YMCA's character traits and core values; Honesty and Good Sportsmanship, Respect, Caring, Responsibility, and Healthy Living. In addition, our CILTS Program provides opportunities for the Campers to serve as leaders within the younger huddles/groups. Each week of camp they will have the opportunity to lead games, activities, contests, service projects, and other various activities in which they will be viewed as a leader by the younger campers. It should be noted that the students within this program are still considered campers and will be supervised as such.
